Subject: Diamond Alkali - RM 10.9 - Meeting on 9/13/12

Carol and Bill,

EPA has reserved conference room 2028 for the meeting on September 13, 2012, from 10 am EDT to noon. When you arrive, please go to the 17th floor. We will meet you and proceed to the 20th floor.

As described in my letter dated August 23, 2012, the purpose of the meeting is to discuss whether the upland processing facility (UPF) utilized in the non-time critical removal action at River Mile (RM) 3.2 can be incorporated in the RM 10.9 removal action.

Ray Basso, Stephanie Vaughn, and I will attend for EPA (and Pat Hick if her schedule allows). We look forward to meeting with you.

Regards,

-Sarah
